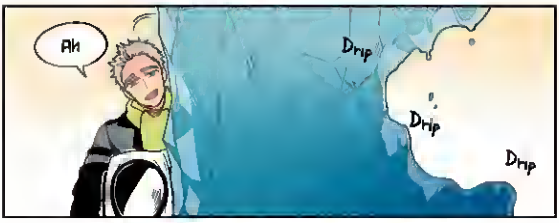
And it's so early in the morning as well~
My poor old immune system is going to fail me at this rate.
Stop playing around!
C'mon, give this old man a break~ ♥

My school told me to come in early today for the physical test.
Are you going to take responsibility if I'm late?

This situation isn't my fault, you know~

That's not the point - work faster!
Rrrshhhh!

ACK!
HOT!!



Ah
Drip

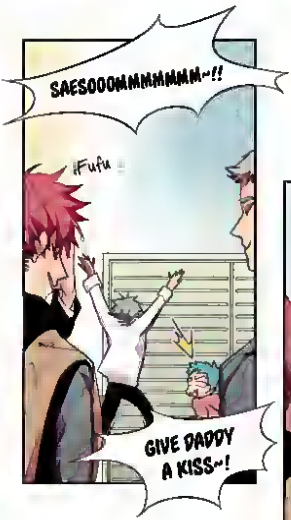
It took a while ta rev this up!

Sorry Saesom. I reckon this ain't a good time ta call a part timer...
This is hardly the time to apologize for that, no?

Everyone's gone ta prepare fer somethin' going on in da afternoon.

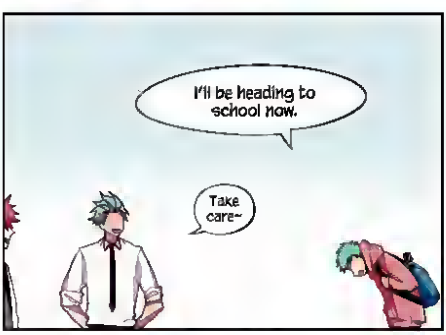
Hey brat, are you really late? Need a lift?
Rub Rub
It's cool. I'll just walk.

Smooth
Ah yeah, of course. You need to start exercising to grow a little more.
Shut up!

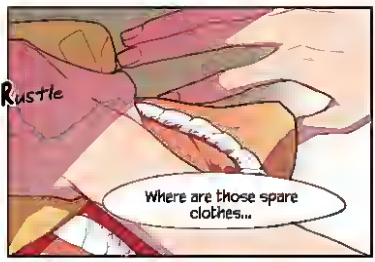


SAESOOOMMMMMMM~!!
iFufu
GIVE DADDY A KISS~!

WHO'S WHOSE DAD?! MY DAD IS AT HOME!!
Shin Saesom, you're going to be late~
Go quickly



I'll be heading to school now.
Take care~

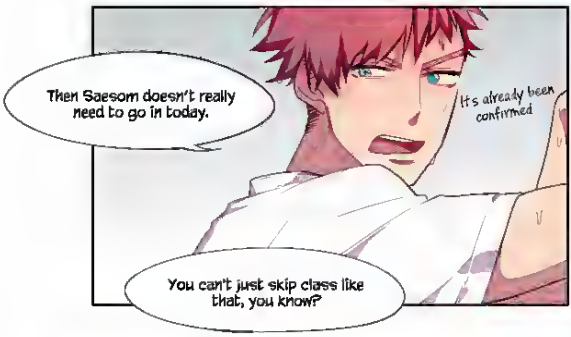


Rustle
Where are those spare clothes...

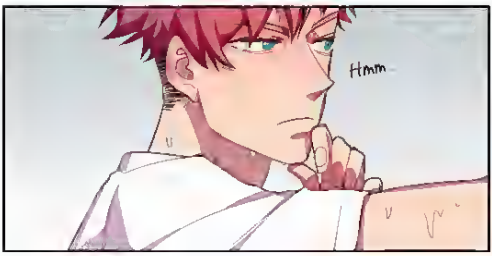
Saesom really likes going to school, huh?
I always slept during class because I had no idea what the teacher was going on about.
Rustle
Rustle
Saesom isn't like you.

A body checkup...

Don't the highschool kids get a Super Human test along with their body checkup?
Hmm... Probably?



Then Saesom doesn't really need to go in today.
It's already been confirmed
You can't just skip class like that, you know?



Hmm

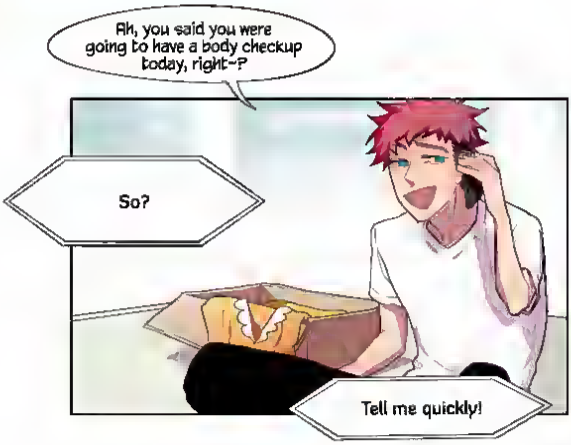
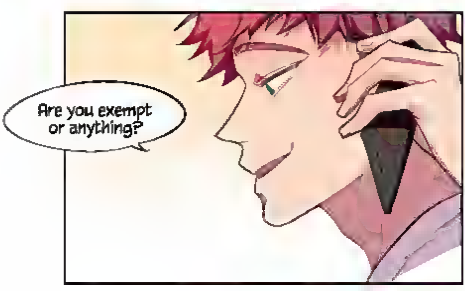
He~lllooooo~!
Why did you call me?
They could've confiscated my phone if I got caught!



Ah, you said you were going to have a body checkup today, right~?
So?
Tell me quickly!



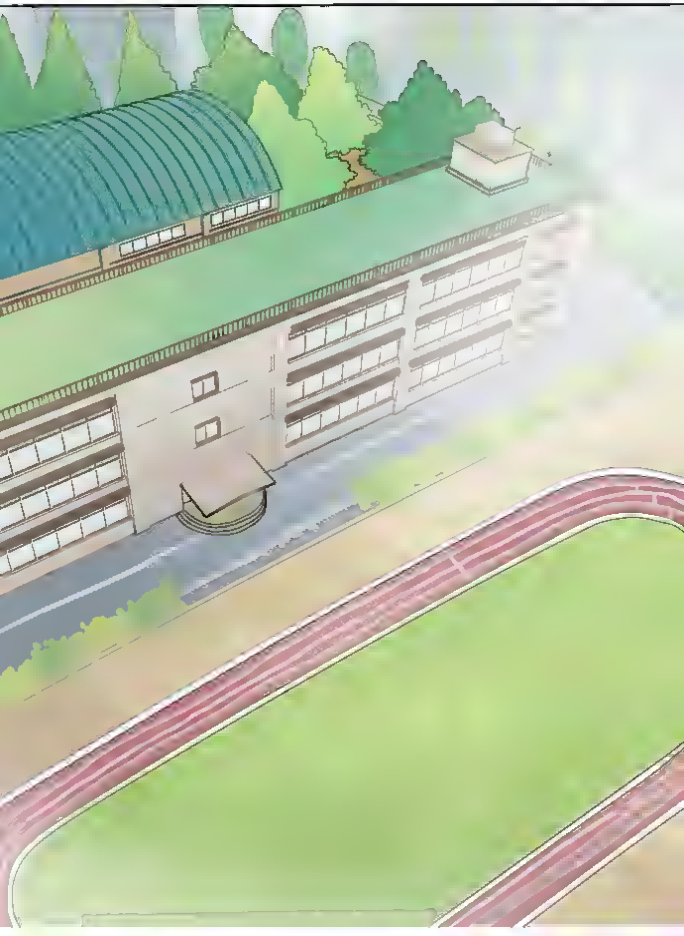
Are you exempt or anything?

Of course not!
You called me just to ask that?!

I was just wondering if they excluded you from the test or not~
Don't be upset even if you haven't grown any taller!

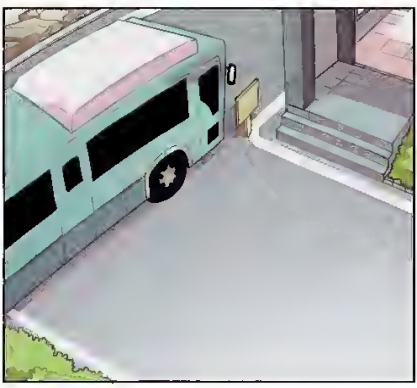
Beep

LOL



Ha... Ahaha... To see you here of all places...!
Sunbae, weren't you stationed in a different area...?

Squash
So why are the two of you here, hm?



Last
It's been a while since I've seen one of these.

A super human test

If you could just concentrate on this cup, please.

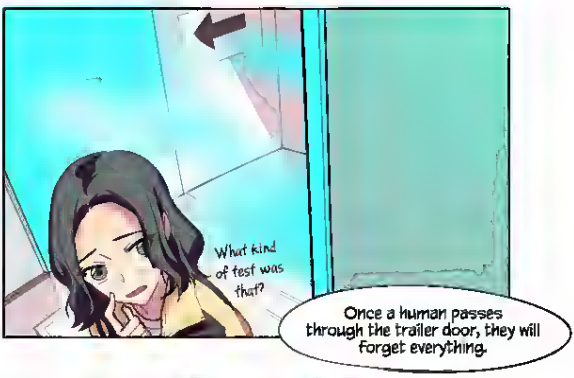
Glance

Hyomo! If you grimace like that, the students are going to be scared!
I'm sorry about that. Could you concentrate on it for 5 seconds?
Human.

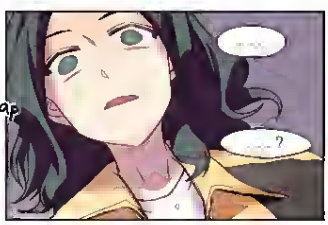
HUMAN
Beep
Beep

I remember doing this too.
Really? I can't remember doing this at all...
Maybe because I'm old?

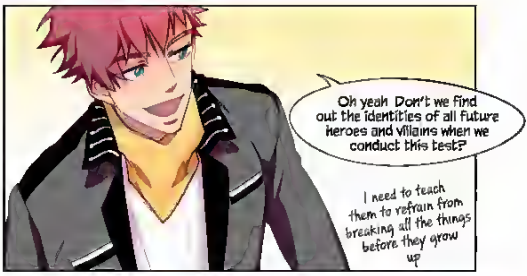
Sunbae can't remember it because you're a human.
?
Psst



What kind of test was that?
Once a human passes through the trailer door, they will forget everything.



Snap
?



Oh yeah. Don't we find out the identities of all future heroes and villains when we conduct this test?
I need to teach them to refrain from breaking all the things before they grow up.

Hmm - It's none of our business.

SHADOWs aren't really concerned with whether the superhumans,
who only make up 0.00001% of the population, turn into heroes or villains.

We record the details just in case.
Haha
There's nothing we can do even if we do know what they'll become.

Ehh...?

Uwaaa, this is scary! Do something, old man!

Stop

*T/N. THE ORIGINAL KOREAN TEXT HAS THE '-EE' HONOROFIC AT THE END OF SAESOM'S NAME, MAKING IT SIMILAR TO THE PRONOUNCIATION OF SESAME)

Whew. I was worried it wouldn't work since we only had a little time to prepare.
Are you touched, Shin Saesom?
Anyway, everyone should start packing up now.

I...

I WON'T GO!!!
Are you grumpy?
Go away! I'm not going!
Brat!
Shuddap!!
Let's all head out~
